

Delfryn

Delfryn performs traditional songs, primarily English. We believe in using these traditional songs for the purpose for which they were originally intended... to have a good time!

We meet every Sunday evening. All are very welcome. No music knowledge or previous experience is necessary. We also have evenings for those who do not want to perform but enjoy singing along with others. Come along and have a go. You will be very welcome. Call Robin on 07843 241371
